Agenda

- Ofsted Education \inspection Framework Overview
- Adult Education Budget/Apprenticeship Funding Rule Change
- Using AEB to support IMPACT
- Policy Changes for 2020
- Questions

“ It is no longer enough to just deliver a qualification or apprenticeship to a learner and make sure they achieve it. It is about added value and the IMPACT of their learning programme. What else does that learner need to ensure the outcome of their learning programme makes a difference to their life, career or progression? And the learner has to understand the concept of IMPACT also.”

Chris Jones – HMI Inspector (Ofsted)

Ofsted's 3-I's - Education Inspection Framework (EIF)

Intent
- Curriculum design, coverage and appropriateness.
- LMI and employer skills needs
- Learner choice.

Implementation
- How are you going to implement the curriculum and ensure a high-quality experience for learners?
- Curriculum delivery
- Teaching (pedagogy)
- Assessment (formative and summative)

Impact
- What impact measure are in place to measure the effectiveness of the learner programme?
- Attainment (quals and assessments)
- Progress, knowledge and skills development
- Destinations

“Inspectors will be spending less time looking at performance data, and more time considering how providers are making sure their learners are developing the knowledge, skills and behaviours required to allow them to successfully progress and achieve”

Apprenticeship Funding Rule Changes

The apprenticeship funding rules now allow an individual learner to attract funding for an apprenticeship <u>and</u> some AEB funded provision concurrently!

There are a few rules attached to this. The individual apprentice must not:

- Be undertaking another apprenticeship
- Undertake any training funded through AEB that replicates vocational or other learning covered by the apprenticeship (inc. English and maths).
- Offer career related training that conflicts with the apprenticeship (e.g. studying an engineering award whilst on an apprenticeship to be a pastry chef).
- Study the additional programme during working hours (where an apprentice has more than one job, working hours refers to the hours of the job the apprenticeship is linked to)
- Be in receipt of any other direct DfE funding such as student loans.
