# ApprenticeshipPro

**Your apprenticeship  
business sorted!**

# ApprenticeshipPro brought to you by Pearl Assess

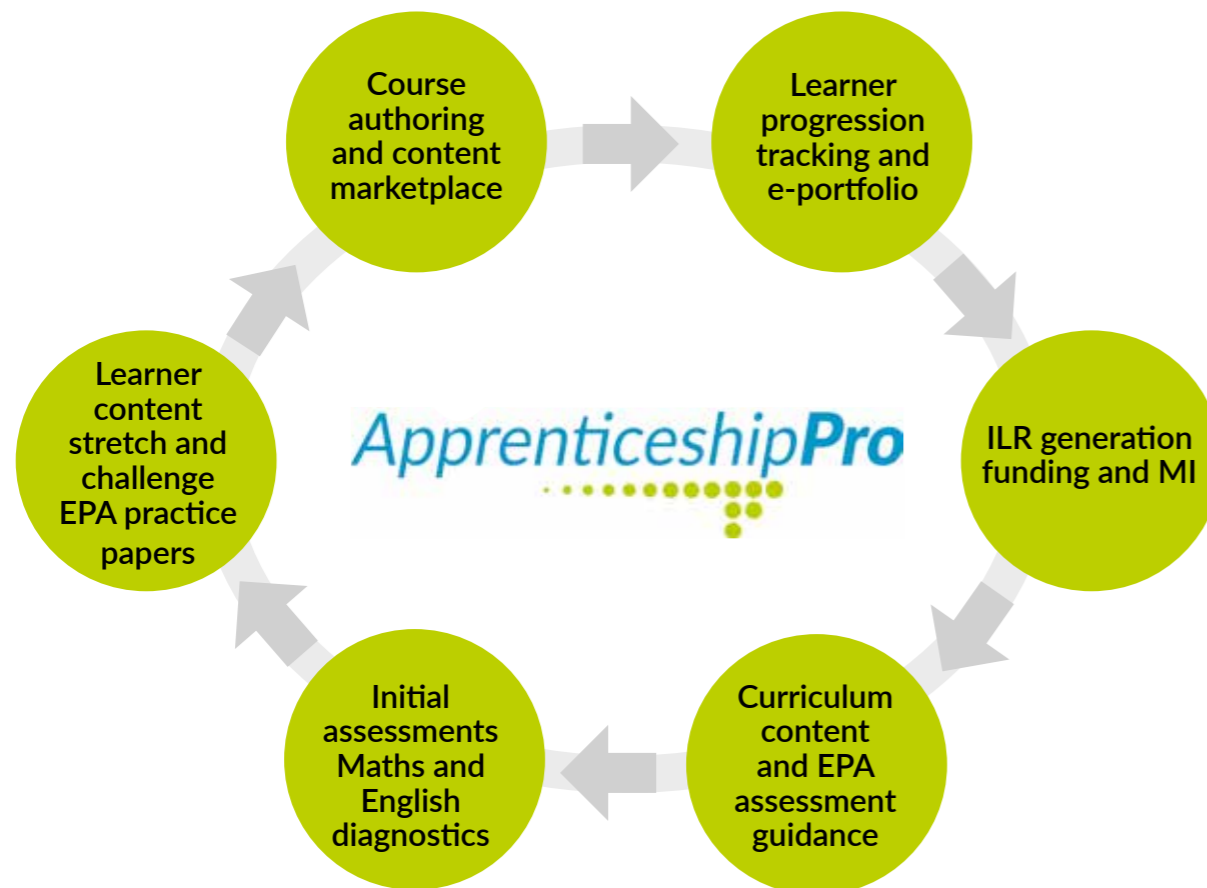

Pearl Assess has been working hard to provide you with a fast and trouble-free route into the apprenticeship standards market with you and your customers at the heart of our business.

Powered by Pearl technology, **ApprenticeshipPro** is designed to give you and your learners a great experience but also provides peace of mind. Working in partnership with end-point assessment organisations, the regulators and industry, we will ensure that you have the tools to provide an audit trail to success through your teaching and their learning.

## Modular functionality

Available in an easy to use on-line modular format the functions of the system have been designed to:

- Provide you and your learners with everything you need for end-point assessment readiness
- Provide step by step evidence of learners' progress through the programme and the distance travelled
- Work as one end-to-end system or separately, as modules, to fit your existing business model and budget
- Demonstrate compliance with regulatory requirements and drive best practice
- Demonstrate your commitment to quality
- Track your business through indicative success rates
- Log off-the-job training and outcomes
- Maximise value against the funding cap for each standard

- **Learner progression tracking and e-portfolio**
  - Initial assessment through automated skillschecker
  - Checkpoint system to track/record and monitor learner progress
  - E-portfolio mapped to qualifications/standards
  - 20% off the job training content, resources and digital recording documents
- ↓
